REV. DODGE INJURED IN WRECK

Barely escaping with his life when struck by a north-bound train on the Jefferson street crossing, near his home here, Rev. Roland B. Dodge, pastor of the Congregational church is in the hospital suffering severe injuries to his feet. Rev. Dodge was crossing the railroad tracks at Jefferson street, in his car. He did not see the train approaching, and as the crossing is extremely rough, had slowed down in order to cross. Becoming aware of the train approaching, Rev. Dodge atempted to speed up his car, but stalled the engine instead. Before he could get off the tracks the train had struck the car just in front of the door, and the machine was badly wrecked. The pastor was thrown free of the car by the impact, but fell under the wheels of the train, which passed over both of his feet.

The injured man was rushed to the hospital, where it was found necessary to amputate part of one foot and some of the toes of the other. While the extent of his injuries cannot be definately stated at present, it is believed by attending physicians that no furher troubles will develop. It is thought that Mr. Dodge will be in the hospital about ten days or two weeks.

The services at the Congregational church next Sunday will be conducted by Rev. Claton L. Peck, the retiring pastor of the local Methodist church, who will preach both at the morning and evening services.

HUGE SETTINGS FOR "ISLE OF LOST SHIPS"

What is probably the largest ship interior ever constructed on a movable (rocker) platform was built at the United Studios in Hollywood for "The Isle of Lost Ships," a First National attraction, produced by M. C. Levee and personally directed by Maurice Tourneur. The production which is declared to be one of the most unusual ever filmed, is coming to the Sequoia Theatre next week.

The interior set—a replica of the dining salon of a trans-Atlantic liner—was constructed on a platform weighing eighteen tons and set on twenty rockers that permitted the entire set to pitch and sway as a ship would in a terrific gale. The platform was held by cables to the roof, sides and floor of one of the largest stages in the studio. It required fifty men to "rock the boat." They were under the command of Scott R. Beal, chief assistant to and production manager for Tourneur. Beal declared that the production offered more technical problems than any picture heretofore prduced at the studio, where many of the biggest successes have been filmed.

"The Isle of Lost Ships" is a weird tale of the spot where, imprisoned in the miles of kelp and seaweed that form the Sargasso Sea, gone by, form a vast island of dead ships. There are a few survivors on this strange island, and the tale abounds with unusual features and dramatic possibilities which gave full opportunity to Director Tourneur's genius.

Crittenden Marriott, famous writer of sea tales, is the author of the story. In the cast are such excellent players as Milton Sills, Walter Long, Anna Q. Nilsson and Frank Campeau.

LEGION TO ENTERTAIN LADIES

Adjutant Frank Thompson of the local post of the American Legion announced this week that the Legion will hold an "open house" next Monday evening for the mothers, sisters, wives and other lady members of the families of ex-service men. A good program has been arranged and a good time is promised. Thompson says that a social night every month is being planned by the Post.

GRIFFIN FINES LAWBREAKERS

Acting as City Recorder as well as Justice of the Peace, Judge Griffin, this week handed out penalties to many violators of traffic regulations and other breakers of the law. Those who received sentences were:

Amigo Balboni, 321 Grant avenue, San Francisco, $15, for driving without lights on his automobile; E. B. Debell, 312 Thirtieth avenue, San Francisco, $25, for speeding; J. J. Johnson, San Francisco, $25 for reckless driving, and $10 for disturbing the peace.

John Rodriguez and Louis Tedesme, both of Redwood City, were given suspended jail sentences of 30 days each on charges of reckless driving and Ed Karl, Redwood City, got a suspended jail sentence for disturbing the peace. Leniency of the court for Karl was requested by Patrolman Joe Rosa of Redwood City, arresting officer.

The traffic violators were brought into court by officers E. E. Kreiss and Eddie McAuliffe of the Redwood City department.

Two men charge with starting fires in San Mateo county without permits were given fines of $25 each. They were P. H. Posch, 2414 Twenty-seventh avenue, and Otto Koch, 1044 Sanchez street, both of San Francisco. They were arrested by Fire Warden B. L. Werder of Redwood City in the mountains near La Honda.

Redwood to Have Skating Rink Soon

A portable skating rink is soon to make its appearance upon the field at the corner of Broadway and the Highway, according to announcements made yesterday by the manager of the rink, Mr. Sizelove. The rink has a maple floor 150 by 100 feeet and is housed in a large tent. The manager, an expert skater, and his four children will give exhibitions of skating every evening and on Saturday and Sunday afternoons. Admission to the rink will be free.

PACHECO PASS NOW OPEN

Announcement of the opening of the Pacheco Pass, one of the main arteries of travel between the San Joaquin Valley and the Coast was made to-day through George S. Grant, manager of the Touring Bureau of the California State Automobile Association. For the present time a special routing from Gilroy to the Pacheco Pass will be neccessary to do construction between Gilroy and San Felipe, Grant said, erected by the Association.

With the opening of the Pass today by the California State Highway Commission motorists in the San Joaquin Valley are provided a direct route to Monterey, Pacific Grove and Santa Cruz, according to Grant. Later on when the duck season opens this will be the favored route for the San Mateo County motorist going into the Los Banos country.

On the main road between Gilroy and Pacheco Pass four and one-half miles of construction work is still going on and until its completion motorists are being routed from Gilroy to Old Gilroy, then along the Bolsa road to Dunville Corners and from there to San Felipe.

There is also under construction a new highway grade from the Pacheco Pass road down to Hollister, Grant said, which is expected to be completed within the next 30 days. At that time there will be a highway grade into Hollister and paving from Hollister to San Juan.

Grant announced that the Pacheco Pass is new graded and graveled road with no grades over six per cent, and wide all the way to Los Banos. From Los Banos to Merced the road is all paved with the exception of the last four miles into Merced.

From Los Banos to Fresno the road is paved to the junction of the Dos Palos road, 14 miles east. From there is dirt road to Dos Palos, excellent gravel to Firebaugh, Mendota and Jamison and then pavement to Fresno.

On the Los Banos to Tracy road the route is paved to Volta. At that point there is a detour more or less rough and dusty to Ingomar and Gustine. There is pavement from Gustine to Newman, Patterson and Westley. A detour is necessary via Grayson and the river road to Vernalis. From Vernalis there is a fair dirt road to three miles south of Tracy. From this point there is pavement to Tracy. Construction on this route will be finished in another month's time, Grant said, and there will then be good road from Tracy down the west side of the San Joaquin Valley.

Sequoia's 110 and 120 pound teams opened the local basket ball season last night at the gymnasium by taking on the fast Alpini cagers of San Francisco. Coach Griffin picked two of the hardest outfits in San Francisco with which to initiate his little fellows here. The games were played too late for the scores to be announced here.

NEW PASTOR FOR M. E. CHURCH

The Annual Conference of California Methodist Episcopal Churches finished its labors in Grass Valley Thursday and the following appointments were made in the San Francisco district, of which San Mateo is a part:

Rev. Geo. W. White is continued as district superintendent; Daly City, W. J. Owens; Burlingame, L. L. Lofbourow; San Mateo, Martindale Woods; Halfmoon Bay, E. E. Beach; South San Francisco, A. P. Beal; Redwood City, H. Owen (supply).

The following ministers who were formerly located here, are assigned as follows: Geo. A. Brice, Morgan Hill; Thomas Leak, Greenfield; S. C. Thomas, Newcastle; Rev. C. L. Peck was not assigned and will spend a year in Florida.

SUPERVISORS

The meeting of the Board of Supervisors last Monday, although short, managed to get through a considerable amount of business before adjournment. The first matter to be considered by the board was the purchase of an X-ray equipment for the new county hospital. Bids had been advertised for, and at this time those that had been received were opened and read. Theibids received were as follows:

R. F. Scherer Co.	$2,255.50
Bush Electric Co.	2,515.00
Victor X-ray Corp.	2,276.39

The bids were referred to Dr. W. C. Baker, who is in charge of the hospital; Purchasing Agent Werder; W. H. Topke, architect of the hospital and two X-ray experts, these gentlemen will return a report at the next meeting.

County Tax Collector, A. McSweeney asked, and was granted permission to go outside of his office for the collection of taxes throughout the county.

A petition was received from a large number of the voters of Menlo Park, asking that Menlo Park be incorporated, but as there was no one present to represent the petitioners, the matter was laid over until the next meeting.

A petition was received asking for the improvement of Clifford avenue, and was referred to Mrs. Brown, in whose township the road in question lies.

Further commendation was given the board upon their action in securing the tract of redwood timber land at Pescadero for a park. This time the praise came in the form of a communication form the Redwood City Woman's Club, expressing the appreciation of the members for the action of the board.

A communication was received from Alice Duncan, requesting information as to whether her property was or was not within the city limits of Burlingame. This was referred to the county engineer.

A resolution which had been passed by the San Francisco Board of Supervisors, urging the War Department to approve plans for the construction of a bridge across the Golden Gate, was sent by that body, with the request that a similar request be passed by the San Mateo county body. In regard to this matter, Supervisor MacBain addressed the board, and recalled the attitude of the San Francisco supervisors when the matter of the Dumbarton bridge was in its infancy a few months ago. As the board felt that it would be more productive of results if the proponents of the Golden Gate bridge would spend their time raising the necessary $20,000,000 rather than coming here for resolutions, the matter was filed without any action being taken.

A resolution was passed calling for the construction of a bridge on the Alpine road to replace one whose condition was not considered safe. Supervisor MacBain said that money had been set aside several years ago for this puprose, and as that money is now in the general fund, it was provided that the cost of construction be taken from this fund.

The matter of a big exhibit being planned by the California Development Association, which is to be held in the Ferry building at San Francisco, was brought before the board by W. A. Eglibert. The cost of the exhibit will be 1000,000, he said, which amount has been apportioned among the various counties of the state. The quota for this county will be $1500. The board expressed themselves as being in favor of this method of advertising, but wanted to consult the District Attorney before any money was appropriated for this use.

Earlier in the proceedings of the meeting the matter of an advisory board for the new county hospital had been brought up by a communication received from Dr. Broadrick, consulting physician of that institution, in which he advised the appointment of such a board. This matter was referred to Supervisor Thompson at that time, and now he announced the appointments he had made. These were: W. H. Crocker, Selah Chamberlain, Mrs. John F. Merrill, Mrs. Tarvello and John MacBain. It was ordered by the other members of the board that Supervisor Thompson, chairman of the Board of Supervisors, be also chairman of this advisory board.

Following this the board adjourned until the 24th.

—Recently a customer asked one of our clerks for a hair brush for his wife. "Rubber back," inquired the clerk. "No, brush her hair," replied the customer. Toilet articles for every use are found at Ryan's Drug Store. Advt.

Miss Bertha Braley, physical education teacher at Sequoia Union High, and Miss Marcia N. Hinkins, instructor of the same subject at the San Mateo Union High School, have purchased a house, in course of construction, from the Redwood City Highlands Co., in Redwood Highlands and expect to make their home there after the first of October.

—The millionaire who married his maid servant objected to the account of the wedding which stated that his wife "swept up the aisle." If you sweep up the aisle or any other place, be sure and get a vacuum cleaner from A. W. Grinnenstein. Advt.

Miss Florence Craig returned home last Wednesday from a long trip through the middle-west. After leaving Redwood City, Miss Craig spent several days in the Yellow stone National Park. From there she went to Colorado Springs and enjoyed a two weeks' visit with friends. She then went further east and on her return spent a week in the Grand Canyon.

—A man may find a pearl in an oyster, while a woman has been known to get a whole string out of a lobster. The proper place to find pearls is at Geo. Peterson's, 214 Main St. Advt.

M.r and Mrs. Clarence Shoemaker were here from Berkeley Sunday visiting the Frank Blomquist family.

A son was born to Mr. and Mrs. John W. Rutherdale of North Burlingame, Monday, September 10th.

Mrs. Alex. Ryan and her friend, Mrs. MacKenzie, came to Redwood City from San Francisco, Monday to attend the Eastern Star meeting, which was conducted by the Past Matrons of the local chapter.

—Should the man expecting his wife to repair his shoes marry a peach cobbler? We fix shoes to your taste. The Economy, 65 Broadway. Advt.

John J. Read, grand court organizer, Foresters of America, came to Redwood City, Tuesday, to take up the work of increasing the membership of Court Madrone. Mr. Read was for a number of years a resident of this city, and was particularly prominent in fraternal circles. He moved to Southern California two years ago, but is now devoting his time to the increase of membership in the Foresters in California. He expects to remain in Redwood City for several weeks greeting old friends and attending to official business.

—A man cussed so hard at his tire, that he took the "t" from it and left it ire. Now he greets it with a smile, because it's left with us once in a while. Brown's Tire Shop, Phone 303J. Advt.

Redwood City Lodge No. 168, F. I. A. M., entertained the members of the order at an interesting meeting. The observance of Constitution Week was the reason of the meeting and an interesting lecture on the Fundamental Law of the United States was given. Refreshments were then served, which added to the pleasure of the occasion. The meeting was under the direction of Junior Warden Thornton Smith.

The young folks of the Methodist church are planning a moonlight picnic to the King's Mountain country this evening if the weather permits.

Mr. and Mrs. Earl Wilsey have returned from a fortnight's vacation spent in Willows and Shasta counties, and Mr. Wilsey is back again at his place in the County Surveyor's office.

Attorney John Machado, formerly Assistant District Attorney of this county, and now practicing law in San Jose, was a business visitor in Redwood City last Thursday.

COUNTY GRANTED APPORTIONMENT

San Mateo county has been granted $129,00 in the semi-annual apportionment of State school funds to counties, announced today in Sacramento by Will C. Wood, state superintendent of public instruction.

Total apportionments throughout the State were given as $10,377,000, representing 70 per cent of the amount to be awarded to elementary schools for the present year.

The counties of the San Francisco bay district will receive $2,060,790. Besides the allotment to San Mateo county, this sum includes $847,200 to San Francisco, $831,942 to Alameda, $173,658 to Contra Costa and $78,990 to Marin county.

RUNNYMEDE

The meeting to discuss and settle the name of the community known as Runnymede called out a crowded house, but inasmuch as 153 people residing west of Cooley Ave. sent a resolution absolutely refusing to accept a vote of the community and wishing to establish a separate community naming it Ravenswood, the matter stands with the community known as Runneymede under two names—some of the people west of Cooley want Ravenswood—and some Runnymede, and there is a part of the territory east of Cooley want Ravenswood and some Runnymede. So as it stands we have Runnymede and Ravenswood, both east and west of Cooley, and as pointed out at the meeting no name can be legally settled in the community until it incorporates,—and that would meet with strong opposition. It looks as tho the efforts for a united community were of no avail.

The Runnymede 49ers' have arranged their literary program for Saturday evening in the Auditorium of the Ravenswood School.

A motion picture film, "Good Night Nurse." A comedy, will first be shown, followed by a miscellaneous progarm and dancing.

Individual ice cream bricks will be sold during the evening. Admission: Adults 25c, children under 12 years 10c.

The Mays have moved into their new home recently completed on O'Conner St.

Mr. and Mrs. Perry King, who sold their place on Runnymede Street, have purchased a poultry form at Santa Cruz.

The little folks helping her celebrate were, Maxine and Walter Huffman, Jack and Janet Cameron, Helen Wardlaw and Grace Parkin.

WOMAN'S CLUB HOLDS RECEPTION

From all accounts the reception held at the Woman's Club last Thursday for the teachers and mothers of children was a very successful affair. There were about two hundred in attendance, and an excellent program was enjoyed. Musical numbers included vocal solos by Mrs John D. Gish, Mrs. A. J. Lehrman, and Miss Gertrude Beeger. Instrumental music for the occasion was furnished by an Hawaiian trio. Several presidents and members of other women's clubs were present from this county and from Palo Alto. The affair was in charge of Mrs. Geo. A. Merrill, Mrs. Calvin Grandi and the board of directors of the club were the hostesses of the day. Between the hours of 4 and 5 refreshments were served.

CITY TAX RATE FIXED

The Trustees of Redwood City last Monday night passed a resolution fixing the tax rate for this city at $1.59 for the year of 1923 and 1924. This rate includes a general rate of $1.00 for carrying on the expenses of the city government. A special tax of 7½ cents to maintain the public library and the ballance to pay on the bonded indebtedness of the city. The rate for the new town is three cents lower than that of the old town, being $1.56. The rate this year is nine cents less than that of last year.

Prominent Odd Fellow Summoned

H. D. Richardson for thirteen years grand secretary of the Odd Fellows of California, died at his home in San Francisco, Wednesday night.

Mr. Richardson was known to practically every Odd Fellow in California. Because of his jovial and friendly ways he held the love of all his fellow members.

The Grand Lodge will conduct the funeral services and the interment of Mr. Richardson will be in Vallejo.

DR. SCHEIER WINS SUIT

Dr. Ralph B. Scheier, manager of the Canyon Santitarium west of here was given judgment for damages of $299.99 in the court of Judge Walter M. Bird, Burlingame, Thursday, against James Martin, Redwood City as the result of an automobile accident last December.

Martin, who is employed on the building of the Hetch Hetchy tunnel, about three miles west of here, drove his automobile with such negligence as to force a machine driven by Miss Mary Fellears of the sanitarium staff from the mountain road near the sanitarium, it was testified. The car driven by Miss Fellers, was the property of Dr. Scheier. The machine was forced from the road into a canyon.

Miss Fellers, a nurse at the sanitarium, escaped injury. The suit was for damages to the automobile.

SAN MATEO RIGHT OF WAY GIVEN FOR HETCHY AQUEDUCT

San Francisco now has a complete right of way through San Mateo County for the Hetch Hetchy aqueduct from the Dumbarton crossing to Crystal Springs reservoir as the result of Judge George Buck of the San Mateo County Superior Court crossing fifteen different pieces of today giving the city judgement for land. The city must deposit $21,741 with the court for the land used.

Attorney Robert Searls of the city engineer's office will also obtain an injunction to prevent interferece with workmen constructing the aqueduct. Therats have been reported that the water line would be resisted by force.

The total cost for rights of way through San Mateo County amounts to $128,000.

Mr. and Mrs. W. S. Lacey of Oakland, who were down in the interests of the Fraternal Aid Union, were guests at the F. C. Nickerson home.

The Mervins have returned from a week's visit at Santa Cruz and Newman. Mrs. Merwin Sr., who passed the yast two weeks in Newman, returned home with them.

Judge Sanborn of San Francisco was a week end visitor with his daughter, Mrs. P. Talley on Donahoe Street.

TO DECIDE WATER WORKS PURCHASE

Tuesday, October 16, is the day set by an ordinance which received its preliminary reading at the last meeting of the board of trustees of Redwood City, for the election at which the voters of this city will decide whether or not the city shall own its own water supply system. The purchase of the water works has been agitated for some time, and will be definately decided by the votes cast at that time. The Redwood City Water Company, the present owner of the water works, asks a price of $30,000 for the plant and equipment. The purchase of this plant would be a bond issue, according to the present ordinance, the bonds to continue for a period of twenty-five years.

Three issues of less importance will also be considered at this election, the construction of a concrete bridge on Jefferson avenue, the construction of an outfall sewer to conduct the stormm water from Broadway, and last, the exclusion of the strip of uninhabited land on the marsh, where the concrete ship Faith was built, from the city limits.

NEWS AND COMMENT FROM WOODSIDE

The calamites throughout the State during the last week should warn us against carelessness with fire in our own community. Sunday picnicers often build fires along the roadside in such close proximity to grass fields and accumulations of dried leaves that danger is always imminent. One gust of wind scattering the glowing embers might start a conflagration that would sweep this entire valley for we are entirely without water protection or other fire fighting apparatus. Let us use the greatest caution ourselves, and wherever possible, urge it upon others.

Rev. Bradford Leavitt has returned from his two months' trip in the East and will take the members of his family who have been summering here to their home in Pasadena on Sunday.

John D. Gish spent the week end among the rice fields of Sutter County. The fields are now being drained preparatory to harvesting which will begin about October 1. If weather conditions are right for harvesting, a large rice crop is expected.

Mrs. Alexander Field and family have pust returned from a month's visit to Santa Barbara.

Mr. Addison Flint and family, who have been spending the summer in the old Earley house on the P. C. Hale place, have returned to San Francisco.

Mrs. M. Houser and family have moved from their home here to Palo Alto.

TOWN MARSHALL OF SAN BRUNO KILLED

An unfortunate affair transpired this week in San Bruno, when city marshall Meehan, of that city was shot and killed in the service of his office. Meehan, on a motorcycle, was following a car with two men in it, who had driven through the gates at the Southern Pacific crossing at San Bruno. He was forced into a ditch by the car swerving suddenly. Meehan fell from his machine, which fell upon him and pinned him beneath it. While he was struggling to free himself of the machine, the bandits in the car shot him, the bullet wounding him fatally. Meehan shot at the men in the car as they drove away, and succeeded in striking the machine, but not in stopping it. He was taken to the hospital when found some time later, and died there Wednesday. The men escaped and so far have not been located, although the sheriff's force is at work upon the situation at present.

BUILDING IN BELMONT

Mr. and Mrs. G. P. Adams of Belmont are constructing a modern store and apartment building at the corner of El Camino Real and Emmett avenue, that city.

THE ADVISORY BOARD

The Supervisors showed great wisdom in placing the affairs of the new Community Hospital under the direction of an advisory board. The members of the committee were picked after careful consideration and it is probable that there will not be a better managed hospital in the state. We are also pleased that the chairman of the Board of Supervisors was made chairman of the committee. Dr. Thompson is well qualified by education and experience to make the right kind of a presiding officer and as head of the Board of Supervisors he can intelligently put all of the problems before the Board so that they will receive the consideration they should have.

BRIGHT LIGHTS

Poets have written about the light that shines in people's eyes. Such stuff sounds fine in poetry. It doesn't look so good, however, when one is driving an automobile in the night time on a busy State Highway. We are glad therefore, that the men who patrol our county roads are beginning to right an abuse which has been most glaring for several years past.

Last Saturday night in the neighborhood of a hundred cars were stopped at the Five Points and the lights inspected. We are told that offenders were warned they must obey the law. We hope that the Headlight law will be inforced. We realize that motorists must have good lights in order that night driving may be safe. We know, however, that it is not necessary to blind the other fellow in order that they see every spot on the road.

CLEANING UP

Last Sunday we rode out to Portola. The day was hot and there were scores of auto parties from San Francisco under the shade of the trees that border the road which runs in front of the Hooper property. On Tuesday we went over the same road. Newspapers and rubbish littered the way. The places that should be left clean, so that the others could enjoy them, were dirty refuse piles. The people who go picnicing and do not take the trouble to remove their dirt should be arrested and put somewhere where they can learn a few lessons in cleanliness. They haven't any right to litter other people's property. They would be mighty sore indeed should someone leave a lot of paper and bread and egg shells in their front yard, yet they leave it to mar some of San Mateo County's beauty spots. We can't think of them as anything else than a bunch of dirty swine.

TUNNELS

Last week we spoke of two tunnels. One of them is for water pipes. The other we hope may come some time, and it will be for the benefit of our children. We would like to see a tunnel put under the Highway at Broadway. We know that such a thing would require a great deal of engineering as Redwood City is not much above sea level. Still harder problems than that have been solved. When Sequoia High School opens in its new home in the Highlands, the Highway and Broadway will be crossed by from 500 to 1000 students four times a day. Besides this number a large number of children who attend the public school and Carmel Academy must cross the Highway. There are so many machines passing this point daily, that it is unsafe to let the matter go any longer.

While the danger is just as great in other parts of San Mateo County, we are concerned with Redwood City now, and hope that something may be done.

These two things we want, a tunnel at Broadway and the Highway, and a sidewalk on the Woodside Road.

We realize that the City Council has many problems to solve, but we believe there are no points that are of such vital necessity to Redwood City as these two things.

COUNTY DIVISION

We were shown, during the week, a map prepared by Mr. Daniel Carrington Imboden, secretary of the Three Cities Chamber of Commerce, which outlined the territory which he proposed to give to San Francisco when it should be decreed in the wisdom of our big neighbor and Mr. Daniel Carrington Imboden that San Mateo County, or the greater part of it, should be part of San Francisco. We do not know who delegated Mr. Imboden to separate San Mateo County. We have no objection whatever should San Mateo and the county north of that municipality decide that they would become a part of Greater San Francisco. We do object most strenuously to any division which would cut the county in two with San Carlos as the most northerly town in the remaining territory. We would be a sick looking county with the five mile strip on the bay shore and the section from Purissima south on the coast side. We would have the assessed valuation of a fair sized town with which to run a county government.

Daniel Imboden will have to guess again on the proposition. Anyway he hasn't been officially appointed county divider of California yet.

ISN'T IT THE TRUTH?

Newspaper advertising is a SERVICE due the people by every merchant.

Stores that advertise add new coustomers every day.

Customers are people who buy and then come back and buy again.

Customers are wise. They know that stores that advertise are giving a real service; they are always right in price, and they sell goods of real value. Their stocks are carefully selected and they only offer the best. They always give a square deal and back up every statement made in their ads.

READ THE ADS AND BUY WHERE THE BEST BUYS ARE! WHAT DO YOU THINK ABOUT IT?

CITY ATTORNEY OF SAN MATEO RESIGNS

Major Charles N. Kirkbride, city attorney of San Mateo for the past twenty-eight years, resigned at the meeting of the city council of San Mateo Monday night, and his resignation was accepted. Attorney J. E. McCurdy was then appointed to fill the position. Mr. Kirkbride was editor of the Times-Gazette in the early nineties. He left here to go to San Mateo and was shortly afterwards appointed legal advisor of the city. He has held the position ever since with the exception of two years, when he was a major in the United States Army during 1917 and 1918. Mr. Kirkbride has rendered faithful service to San Mateo.

Mr. McCurdy, who succeeds Major Kirkbride, is one of the young attorneys of San Mateo. He is an exceptionally bright man and should give his city a quality of service that will keep it out of all kinds of entanglements.

BAPTIST CHURCH

Bible study at 10 o'clock, followed by public worship and an address by the pastor.

Evening meeting is at 7:30. The subject of the sermon will be, "How to Truly Know Christ." Come and welcome!

NEW CLOSING HOUR FOR BARBER SHOPS

The barber shops of Redwood City will, hereafter, close at 6:30 in the evening during the week, and at 9 o'clock on Saturday. The new closing hour is caused by a new union regulation. Only minor changes will be made in prices, which are being standarized so that all may be on an equal basis.

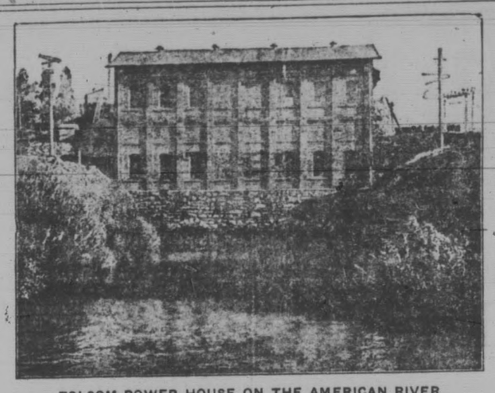
LOCAL BLDG. & LOAN ASSN. TO MATURE $20,000 IN SHARES

Announcement is made this week by the San Mateo County Building & Loan Association that series No. 78 of its stock will reach its matured value of $200 per share on September 20, when $20,000 will be distributed to the shareholders in that series, this amount being the accumulations of the monthly dues paid in and compounded interest earned thereon. The shareholders are privileged to withdraw the value of their shares in cash or allow the same to remain on deposit with the Association for which interest bearing certificates of investment are issued, a safe and profitable form of investment.

There is a good demand for loans from the association, principally for the erection of new homes, many in Redwood City and vicinity. Investors with the Association are thus aiding the improvement and upbuilding of the Peninsula through a local institution and also relieving the shortage of homes, which has been a very serious condition.

Series No. 124 is now open for subscription and will continue until December 1st when a new series will start, 1st instant and investments are encouraging.

Information regarding investments and loans on easy monthly payments may be obtained at the office of the Association, 90 Broadway.



FOLSOM POWER HOUSE ON THE AMERICAN RIVER

Folsom, California:—The first hydro-electric power plant of commercial importance in the United States was placed in service here September 9, 1895.

Its builders, not only pioneered the generation of electricity by water-power for commercial purposes, but succeeded in transmitting the energy generated a distance of twenty-two miles to Sacramento at the then record pressure of 11,000 volts.

This was the first step in the industrial and commercial development of the West and the nucleus of the Pacific Gas and Electric Company's world renowned electric generating and distributing system. Folsom power-house is still in operation after nearly thirty years of continuous service and though relegated to comparative insignificance by the giant plants built in recent years, it still continues to pour its flow of energy into the network of transmission lines that extend from each end of the State to the other.

COUNTY TAKES MANY PRIZES IN FAIR

A wonderfully good showing was made at the State Fair at Sacramento, by this county in both horticultural and manufactured articles, especially the former. The county succeeded in securing, altogether, two gold medals, six first prizes, and two second prizes. The gold medals were awarded to the best display of bulbs and to the best display of macaroni. The first prizes were taken by the artichoke, raspberry, cut flower, dahlia, common salt and rock salt displays, and second prizes were carried off by the foliage plants and the hanging baskets. The excellent showing made is due to a great extent to the efforts of Chester Haggett, who was in charge of the county exhibit, and to County Horticultural Commissioner Tate, who gathered the agricultural products for the display. As preparations were made in a very short time before the fair, very little time was allowed for the arrangement of the display of the collection of products. The manufacturers and growers of the county were very generous in their contributions and co-operation and much of the credit for the success of the exhibit is due to those who assisted Tate and Haggett by their donations of flowers and other products.

DIED ON BOARD SHIP

Miss Annie Mullen, formerly of Halfmoon Bay passed away at sea, Sept. 15, while aboard the steamer Queen of Australia, of injuries sustained in the recent earthquake at Yokahama. Miss Mullen was secretary to the manager of the General Motors Corporation in Japan. She had been in the Orient for several years and had decided to come home shortly before the great disaster. For some time her family was unable to locate her. It was then found that although injured she had taken passage for British Columbia and would soon be home. On Monday news of her death was received.

Miss Annie Mullen was born near Halfmoon Bay and was the daughter of the late John Mullen, who was a prominent man in the early days of this county and served one term as County Assessor. She taught school for a while and then took up business. She was remarkably successful and became a trusted employee of the big motors company.

The body of the unfortunate lady will be brought home and it will probably be laid at rest in the family plot at Halfmoon Bay.

Whether it is advisable to be up early depends upon whether you are the bird or the worm.

TWO REDWOOD HOMES ENTERED AT NIGHT

Burglars entered two homes of Redwood City last Saturday night and stole a few small articles from each. The houses entered were those of Attorney Frank King on Duane street, W. D. Tyler of Brewster street. Both houses were entered by rear windows, where screens had been cut. Neither place suffered severely, but small articles, consisting mostly of pieces of jewelry and clothing were taken from each.

OLD TIMERS TO DANCE EVERY WEDNESDAY EVE.

The Old Timers Club held another one of their pleasant, old fashioned dances last Wednesday evening. A good attendance and the best of music made the affair a success. These old fashioned dances have attained such popularity in Redwood City that the club has secured the services of the Heydenaber Orchestra for every Wednesday evening after next Wednesday, and will conduct an old fashioned dance every week.

ROY WOODHAMS COMING HOME

Roy Woodhams, son of Mr. and Mrs. C. W. Woodhams of this city, a medical missionary in the Belgian Congo section of Africa, left on a trip to the United States last Thursday. Woodhams his been in the Congo for nearly six years, and has been laboring ceaslessly during the whole of that time to alleviate the sufferings of the natives, who are afflicted with many forms of disease, as well as to convert them to Christianity. With his wife, a faithful co-worker in his work, and his two little girls, born in the African wilderness, he is leaving the scene of his labors for the first time since he began his work. He will visit England on his way home, and then continue on his way to California, taking in all about two months on the trip.

Woodhams was entitled to a furlough some time ago, but when it came time for him to come home it was found that the fund from which the expense sof the missionaries is paid, was exhausted. At that time his friends in Redwood City collected $500 to help him come home, and it is this aid which makes possible his visit now. He will be home about a year.

BELMONT

Mrs. J. J. O'Brien visited in San Francisco Wednesday.

Mrs. Fred Johnson returned home from the Miles Memorial Hospital Tuesday.

One of the most successful card parites ever given by the P. T. A. was held last Saturday evening in the Belmont School Auditorium. Among thos who helped to make the affair a success were, Mrs. Alfred, Mrs. Thomas E. Moran, Mrs. Paul Miller and Mrs. McArdell.

Mrs. John McGrady spent Monday afternoon with Mrs. William Hanscombe.

Miss Margaret Harrington of Menlo Park visited here Sunday with Miss Amelia Johnson.

Mr. Jack Wells has given up his position with his uncle, Mr. Horace Hanley, and is now attending the Sequoia Union High School.

Mr. and Mrs. Alfred Dalton are the proud parents of a son born Wednesday evening.

Miss Gertrude Irwin, supervisor of music, and Mr. John Mason, supervisor of reading and oral expression, visited the Belmont Grammar School Thursday.

Bunko artists don't try to sell gold bricks to the farmers nowadays. They find a better market with the New York and Chicago bankers.

ADDISON BALDWIN PASSES AWAY

Addison H. Baldwin, father of Mrs. John Hall of this city, and well known here, where he has often visited his daughter and her family, passed away Monday at his home, corner of O'Farrell and Octavia streets, aged 85 years, following a stroke of paralysis last Saturday. He came to San Francisco in 1882 and was in active business until his retirement about twenty years ago. He had a wide circle of acquaintances in the city.

Baldwin was born in Amsterdam, N. Y., in 1838 and at the age of 18 located in Texas, where he married Miss Lyda Travers McMahan, in 1856. During the Civil war he served four years in the Confederate army, retiring to his Texas home after the war. Besides his widow, he is survived by four children, Mrs. John Hall of Redwood City, Orville C. Baldwin, G. Ferris Baldwin and Mrs. Vivian B. Webb, all of San Francisco. He also leaves two brothers, Orville D. Baldwin and Marshall S. Baldwin, and three sisters, Mrs. Lillian Bowman, Mrs. Jacob Berts and Mrs. E. F. Preston.

Funeral services were held Wednesday morning at 10:30 o'clock at the chapel of Ashley & McMullen, 399 Sixth avenue, San Francisco.

If you think the future will take care of itself, that shows you have'nt lived in the future.

GUARDIAN COMPLIMENTED BY THE COURT

Philomene Baradat, widow of the late Julius Baradat, a former prominent business man of Belmont, presented and filed in the Superior Court her First Annual Account of the Guardianship of the persons and estates of her two children, showing that she has cash on hand deposited in the First National Bank at Redwood City, $6,596.34, and real estate valued at $2,000. She was complimented by the court in the way she has handled the estates of the minors. Her elder son is now attending the Palo Alto Academy at Palo Alto, Calif.

BEFORE THE BOARD OF SUPERVISORS OF THE COUNTY OF SAN MATEO, STATE OF CALIFORNIA.

In the matter of the Application of Certain Electors and Residents of Menlo Park to Incorporate Certain Portions of the County of San Mateo, as a Town of the Sixth Class to be known as the "TOWN OF MENLO PARK."

PETITION

To the Honorable Board of Supervisors of the County of San Mateo, State of California:

The petition of the undersigned respectfully shows:

That we, and each of us are qualified electors of the County of San Mateo, State of California, and we, and each of us are residents within the limits and boundaries hereinatfer set forth and proposed for the municipal corporation herein named and proposed to be incorporated.

That the lands and premises and districts contained within the boundaries herein set forth and described are situated in and constitute a portion of the County of San Mateo, State of California;

That said district contains, and there reside within the boundaries of said proposed municipal corporation, which boundaries are hereinafter mentioned, less than six thousand (6000) inhabitants and more than five hundred (500) inhabitants, to-wit: eighteen hundred (1800) inhabitants, as nearly as can be ascertained by your petitioners.

That the lands and premises and the district contained within said boundaries are not incorporated as a municipal corporation and from no part of any municipal corporation.

That the name which we desire said municipal corporation to have and bear is as follows:

TOWN OF MENLO PARK.

That the boundaries of the lands and premises and district which we desire to have incorporated into a municipal corporation, as herein prayed for, and for the organization of which as a municipal corporation we now ask, are as follows:

BEGINNING at the intersection of the northeasterly line of the main county road leading from San Francisco to San Jose, commonly known as El Camino Real with the center line of Watkins Avenue, as said Watkins Avenue is shown on the map entitled "Menlo Park Villa Lots," Mitchell property;

Thence southeasterly along said northeasterly line of El Camino Real to its intersection with the center line of Alejandra Avenue produced northeasterly;

Thence southwesterly along the said northeasterly production and continuing southwesterly along the center line of said Alejandra Avenue, as the same now exists, to this intersection with the center line of Elena Avenue;

Continuing thence southwesterly along the center line of Park Lane, as said Park Lane is shown on the map of Quilliota Tract to the northeasterly boundary line of the Linda Vista Tract;

Thence continuing southwesterly along the center line of Camino al Largo, as said Camino al Largo is shown on the said map of the Linda Vista Tract to the northeasterly corner of Lot number 46 of the said Linda Vista Tract;

Thence southeasterly along the northerly boundary lines of lots numbers 46-39-31-24-17 and 10 of the said Linda Vista Tract to the west boundary line of Valparaiso Avenue;

Thence southeasterly across Valparaiso Avenue to the center line of Orange Avenue;

Thence southeasterly along the center line of Orange Avenue to the center line of Santa Cruz Avenue, also known as Route 7, Section 1, San Mateo County Highways;

Thence southeasterly along the center line of said Route 7, Section 1, and continuing southeasterly along the center line of Route 7, Section 2, San Mateo County Highway, to its junction with the center line of the road leading down to the bridge built by Senator Stanford (said road being known as the Mayfield County Road);

Thence easterly along the center line of said road leading to Mayfield, to the center of San Francisquito Creek, being also the San Mateo and Santa Clara Counties boundary line;

Thence northeasterly down the center of the San Francisquito Creek to its intersection with the center line of the Middlefield Road;

Thence northwesterly along the center line of Middlefield Road to its intersection with the center line of Ringwood Road;

Thence northeasterly along the center line of Ringwood Road to its intersection with the center line of Bay Road;

Thence northwesterly along the center line of Bay Road to its intersection with the center line of Marsh Road;

Thence southwesterly along the center line of Marsh Road to a point where the northeasterly line of that certain tract containing 54.77 acres formerly belonging to the W. J. Adams Estate Company extended northwesterly, is intersected by said center line;

Thence southeasterly along the said northwesterly extension and continuing along the northeasterly line of the said formerly W. J Adams Estate Company, 54.77 Acre Tract, to the most easterly corner thereof;

Thence southwesterly along the southeasterly line of said 54.77 acre tract and its extension, southwesterly to the center line of Middlefield Road;

Thence northwesterly along the center line of Middlefield Road to its intersection with the center line of Watkins Avenue, as said Watkins Avenue is shown on the map entitled "Map of Villa Lots at Fair Oaks."

Thence southwesterly along the center line of said Watkins Avenue and continuing southwesterly along the center line of the first hereinbefore mentioned Watkins Avenue to the point of beginning.

All of the property included within the above description is situated in the County of San Mateo, State of California, and includes all the remaining portion of the Menlo Park school district not included within the proposed boundaries of the Town of Atherton.

NOTICE OF HEARING

Notice is hereby given that on Monday, the 8th day of October, 1923 at the hour of ten o'clock in the forenoon of said day, or as soon thereafter as the undersigned may be heard, the undersigned will present to the Honorable Board of Supervisors of the County of San Mateo, State of California, in open and regular meeting of said Board at its chambers in Redwood City in said County, for hearing and consideration by said Board of Supervisors pursuant to law, this petition as herein set forth and affidavit as hereto attached.

WHEREFORE, we your petitioners pray, pray that all of said County of San Mateo, included within the aforesaid boundaries to be incorporated as a municipal corporation to be known as and to have and bear the corporate name of the TOWN OF MENLO PARK as aforesaid, and that your Honorable Board take such action and proceedings therefor, as may be required under the provisions of, and as provided by an Act of the Legislature of the State of California, entitled "An Act to provide for the organization, incorporation and government of municipal corporations," approved March 13th, 1883, and Acts amendatory thereon.

Dated this 19th day of September, 1923.

Items not Listed on Your Electric Bill

CHARGES for your electric Service depend in part on the character and length of dams, tunnels, flumes, ditches and transmission lines. Many other factors, such as the existence of industries to carry the daylight load and the number of customers and their distance apart, affect the rates you pay. Power itself at its source costs but little.

An explanation of the importance of these different factors will help you to understand why rates vary in different sections. Ask about it at the local P G and E office.

The Kitchen "Cooler" a dandy place for active little germs!

No good housewife would ever consent to trust her family's food to an ordinary "cooler," at *any* time of the year, if she realized how rapidly germs thrive and multiply in food when the temperature gets warmer than 50 degrees.

In milk, for instance, untold millions of tiny germs will be produced within an hour. These are not disease germs, but they do rob the milk of much of its nutritive value and help to cause weak, unhealthy babies. They are present long before the milk has actually spoiled.

The only safe place to keep food is in a refrigerator that is supplied with ice *regularly*, so that it never loses its cold, *even* temperature. To protect your food and properly safeguard your family's health, you need ice all the year around.

A Way to Save Money

Use Zerolene—*a better oil even if it does cost less.*

Zerolene costs less than many other oils of inferior lubricating quality because of our excellent facilities for producing and distributing it in very large quantities to users on the Pacific Coast. We do not have to pay long-haul transportation and high merchandising costs to make it available. All that you pay for Zerolene goes to buy high quality only.

Zerolene will reduce your carbon troubles and give you more mileage from your gasoline. It will reduce your upkeep cost, add years to the life of your car and give you greater satisfaction in driving.

Insist on Zerolene—even if it does cost less.

Cleaning Without Odor by the F. Thomas Process

Our many years of experience has taught us that it is impossible to do perfect cleaning with cheap, inferior methods. That is why we found it necessary to invest nearly $500,000 in the equipment of a plant and the establishment of an expert organization to do the quality of work demanded by our customers.

With the "F. Thomas Process" we not only remove every particle of dust but we return your garments without that usual disagreeable smell of gasoline. Every drop of gasoline we use in cleaning is redistilled and very highly refined.

Raw gasoline—the kind that you buy for your automobile—is full of heavy oils and unfit for cleaning fabrics. It is little better than ordinary distillate and leaves a sickening "gasoline" smell in your clothes

NEWS OF MENLO PARK

Mr. and Mrs. James Henderson of Colma are guests of the Noel home.

The Companions of the Forest had a social gathering at the home of John MacBain Wednesday evening. All had a delightful time. Mrs. MacBain showed her usual cleverness as a hostess.

James Artino, the hirsute eliminator, has bought a lot adjoining Brown's Store on the highway, and is at once to begin the erection of a two story building. It will be hollow tiling with a plate glass front. It is to be one of the modern buildings of the town.

Traffic oficer, James Logan with a staff of assistants, stopped over a hundred motorists using glaring lights in violation of the motor vehicle laws Thrusday night here on the highway. The number of every machine was taken by the officers, and two days were given to the autoists to secure the proper lights. A large crowd watched the proceedings.

Miss Helen Clunie and Gerard George Sanders were married at 4:30 o'clock this afternoon at the home of the bride's parents, Mr. and Mrs. Andrew J. Clunie, in Menlo Park. The service was read by the Rev. Davis J. Evans, rector of All Saints' Episcopal Church of Palo Alto, and the wedding march was played by Richard Malaby.

The birde was attended by Miss Amy Fowler of Redwood Highlands as maid of honor, and the Misses Janice Dunker of JPalo Alto, Margaret Zane of Woodside and Pauline Hammer of South Pasadena, as bridesmaids. The best man was Dr. Laurence Becking.

United States Senator Samuel M. Shortridge was the speaker at the open meeting of the Palo Alto Masonic Lodge last night in observance of "Constitution Week." Mr. Shortridge was in good mettle and delivered a very able address.

Born in Mills Memorial Hospital Saturay, September 15, to Mr. and Mrs. C. W. Palmer of Menlo Park, a son.

The garden at the home of Mr. and Mrs. C. F. Michaels at Atherton was the setting for a pretty wedding at 3 o'clock Saturday afternoon, when Miss Virginia Loop and Charles Hobbs of San Francisco were married. The ceremmony was performed by Archbishop Edward J. Hanna, assisted by Monsignor Cantwell of San Francisco and the Rev Father O'Kelly of Menlo Park.

Mrs. James Lee Schlesinger was matron of honor and the bridesmaids were Miss Corinne Connell of San Diego, Miss Dorothy Grant of Los Angeles, Miss Martha Mohun and Miss Helen Slater of San Francisco. The best man was Joseph Toole of San Francisco, Alen and Frederick Michaels acted as pages, and the ushers were Richard, James and Lee Schlesinger and Leo Hardy, all of San Francisco.

The bride wore a gown of heavy white duchesse satin, made with train, and a wreath of orange blossoms held in place her veil, which was trimmed in rose point lace. The bridal bouquet was of lillies of the valley.

The matron of honor wore yellow and the bridesmaids were dressed in green. All of the bride's attenants carried flower-decorated fans. Autumn colorings prevailed in the general docorative scheme of the garden.

After the ceremony the bridal party and guests danced on the tennis court, the newlyweds leaving later on a honeymoon trip to Southern California. Upon their return north they will reside in San Francisco, where the bridegroom is in business.

The bride is the daughter of Mr. and Mrs. P. S. Loop of San Francisco. The family is well known in Peninsula society and passed the summer in Palo Alto.

The bridegroom is the son of Mr and Mrs. A. F. Hobbs, also of San Francisco. He is a graduate of Stanford with the class of 1920, having taken his degree in the economics department. During the World War he served overseas as lieutenant with the Twelfth Infantry.

The Notre Dame academy at Belmont opened last Monday. The pupils attending the mother house at San Jose were transferred to the Belmont institution. In the course of time the entire school will be located at the latter place. Those who were transferred and who reside here are, Margaret Doyle, Mary Alice Sullivan, Ellen and Mary Weston. The young girls look charming in their natty and attractive uniforms.

The Warren school opens on September 26 with and increased attendance. Notwithstanding the new quarters provided for the extra pupils, the institution will be crowded and it is just possible that many applicants will be turned away for want of room.

Mrs. C. Palmer of Turlock is here on a visit with her sister, Mrs. J. E. Strong. Mrs. Palmer's husband is a prominent orchardist of the San Joaquin valley.

Miss Eileen Eyre, a recent graduate of the State University in dramatics and dance interpretation, has ben appointed a teacher in her art at the Harker school at Palo Alto, an exclusive school for young women.

The wealthy residents of the Peninsula send their girls there. Miss Eyre is a highly accomplished young landy, in love with her art. Her many friends predict success for her at the Palo Alto institution.

The marriage of Mrs. Alejandra Kaime, young society woman of San Francisco and Pebble Beach, and Eric Pedley, polo player, took place yesterday at Altadena, the home of the bride's aunt, Mrs. Harry Hunt, according to telegrams received by their friends here.

The bride belongs to a well-known California family and for the last few years has made her home at Pebble Beach, where she has taken an active part in the social life of the fashionable colony.

Pedley has distinquished himself on the polo field at Monterey and is a member of the Del Monte polo team. He is the son of the late Colonel Pedley of the Royal Engineer Corps of the British Army, and Mrs. Pedley, with whom he has made his home at Monterey. He is a graduate of Stanford Univeritsy.

Mr. and Mrs. Pedley will make their home in Pasadena.

The pretty bride was formerly Miss Alejandra Macondray, daughter of Henry Macondray. She spent her girlhood at Atherton. She is an unusual comely woman.

Julien Hart, the well-known silk importer and capitalist, has leased Mrs. John F. Merrell's home at Atherton for a year and a half. Mrs. Merrill will occupy apartments at the Fairmont Hotel, San Francisco, during the hiatus.

Mr. Hart loves the Peninsula, where he has many friends.

Trinity Men's Club of the Episcopal Church was re-organized in the parish house Tuesday evening. Harry Weeden was chosen president; J. E. Strong, secretary; Magnus Polson, first vice-president; George Angus, treasurer and Denis A. Merz, librarian. The club will meet every Monday night at the Parish hall. The members contemplate giving a series of entertainments during the winter months.

FAMOUS COLORED JAZZISTS TO PLAY HERE TONIGHT

Dixieland Jazz Band, the organization that has filled hundreds of phonograph records with the tunes that tickle the feet of a nation, and which has furnished music for the famous Ziegfield Follies in New York, will play for the grand ball to be given at Foresters hall, Saturday evening, September 22. The musicians are 9 colored artists every one a master of his instrument, with Curtis Mosby (himself), famous clarnetist, composer of "Bugle Blues," "Maple Leaf Rag" and "Pay Day Blues." Dance and hear this phonograph stars play their own compositions. Dancing starts promptly at 8 o'clock.

MOTHER OF MRS. HANSEN DIES

Mrs Harriet Rebecca Beals, one of the oldest pioneers of San Mateo county, passed away Wednesday at the home of her daughter, Mrs. Edward Hansen, inthis city, where she had been visiting. She was 92 years old.

Mrs. Beals and family sailed from Bostoff, Massachusetts, in the early part of 1863, down the Atlantic coast into the Gulf of Mexico, across the Isthmus of Panama on carts drawn by oxen, then up the Pacific coast, landing at San Francisco bay about August that year. About a month later they went to San Mateo, where she has resided ever since.

Mrs. Beals is survived by her three children, Mrs. Edward M. Hansen of Redwood City, George E. Beals of San Mateo, and Charles H. Beals of San Francisco.

Funeral services were held yesterday afternoon from the chapel of George W. Sneider & Co., on Ellsworth avenue, San Mateo. Interment was at St. John's cemetery.

You never knew a radical who loved anybody except himself.

If sropolamin forces men to the truth, every oil stock salesman should be doped with it before he is allowed to start on his rounds.

The Times-Gazette
Why?

BECAUSE it is the logical paper for the resident of REDWOOD CITY who is interested in the improvement of his home city. Printed, published, edited, and circulated in your own city, by men who are conversant with the needs and opportunities of San Mateo County, the Times-Gazette is the logical paper for the upbuilding and improvement of the home town.

WE believe that a great future is awaiting Redwood City, and we stand for all that will make that future GREATER BETTER and More SUBSTANTIAL

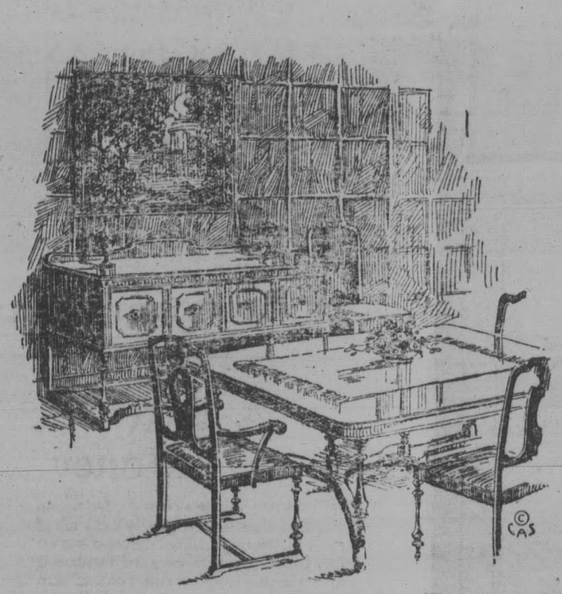
Redwood City Store



Our Creed

WE believe in furniture that is beautiful in design, correct in style, honest in workmanship and sound in value. We believe that our reputation as a quality furniture store is our greatest asset. We believe that furniture was never more beautifully designed nor better made than at the present time. We believe that furniture has never been offered in such great variety, nor for such reasonable prices as in this country today. We believe in the good taste and discrimination of the American people, and in the progressive demand for "Better Homes".

And because we subscribe to this creed we invite you to utilize our stock of fine American furniture in realizing your ideals of the perfectly furnished modern home.

The Romance of Furniture

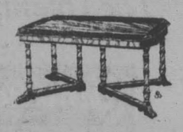
THE collecting of Oriental porcelains became such a fad in England during the reign of Queen Anne that glass-door china closets became highly popular.

PHONE IN COMFORT

At least one can gossip with comfort when a friend calls, if one owns a telephone stand and chair. Or quickly take down any notes or instructions that come over the wire. Tucked into a corner. Unobstructive, yet beautiful, in conception and service. All kinds, from inexpensive stained effects to luxurious woods. With chairs that fit snugly beneath the telephone stand when not in use.

DINING ROOM FURNITURE of Grace and Charm

Furniture of periods that embody grace. Queen Anne, Elizabeth, Chippendale, Sheraton and others equally lovely. Displaying how cleverly woods and colors can be combined. Round tables. Oblong tables. All sorts of variations in silver closets. Distinguished in design. And one pays comparatively little, for their prices start at—



THE FURNITURE OF TODAY— The Heirlooms of Tomorrow

"My mother had this chest since she was a girl," or, "Grandma gave me this rocker." What a tribute, indeed, to the furniture of years ago! And, idealistic though it may sound, it is the policy of this store to display only furniture of this kind. Designed in good taste—made of fine woods—finished with exacting care serving through the years with cheerfulness and comfort, the furniture you choose here today may very naturally become the heirloom of tomorrow.
